### STATEMENT OF INSURANCE COVERAGE

Please check **one** box below:

\_\_\_\_\_ I hereby certify that I have sufficient insurance coverage through a personal or family policy in effect throughout the interscholastic sports seasons for the current school year which will provide for adequate reimbursement of medical and surgical expenses in the event my student should become injured as a result of having practiced and/or played in an interscholastic sport this school year.

Company \_\_\_\_\_ Policy Number \_\_\_\_\_

**OR**

\_\_\_\_\_ I have purchased school insurance for the current school year. I mailed the application and the fee to the company on \_\_\_\_\_ (Date)

I agree that in the event of an accident and/or injury while participating or practicing during these seasons under the sponsorship of this school, I will not expect or demand any compensation for medical and/or surgical expenses incurred.

Parent/Guardian signature \_\_\_\_\_ Date \_\_\_\_\_

### TRIP PERMISSION

I give permission for my student to ride school vehicles (van, bus or school car) to all away athletic events during the current sports season, knowing that every precaution will be taken for their safety and well-being.

Athletes are required to ride a school vehicle to and from the event, unless the parents notify the school prior to the event and arrange to transport their son or daughter personally. Notes from parents or anyone else will not be accepted because of liability incurred by the school district.

A student may be released to ride home with their own parent after a contest; but only if the parent takes custody of the student through personal contact at that time.

### PARTICIPATION PERMIT

Although participation in supervised school athletic and activities programs is among the least hazardous activities in which any student will engage in or out of school, the very nature of these school athletic and activities programs does create potential for injury. Parents should be aware that the chance of injury is present while students are participating in school activities and athletics. Those parents who do not wish to expose their students to this possibility should not sign this permission form.

I/we hereby give consent for my child/ward to participate in the following interscholastic sports that I have marked:

_____ Alpine Skiing	_____ Baseball	_____ Basketball	_____ Cheerleading	_____ Dance	_____ Football
_____ Golf	_____ Nordic Skiing	_____ Soccer	_____ Softball	_____ Track	_____ Soccer
_____ Volleyball	_____ Wrestling	_____ Hockey	_____ X-Country	_____ Lacrosse

Recommendations \_\_\_\_\_

**I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).**
